Ms. Triana welcomed the Committee. The minutes from the Dec. 15, 2015 meeting were reviewed and accepted at written.

Ms. Triana shared the proposed 2016-2017 calendar and asked for input from the Committee. Next the Committee reviewed the Staff, Student, and Parent Survey questions. It was suggested that we add “Your input is looked at by Staff and Central Office in order to improve our customer service at Salado.”

The Campus Improvement Plan was discussed in how the plan shows campus data, goals for the year, and addresses sub-populations that are part of our System Safeguards identified by the State. Salado’s School Report Card data was shared from the 2014-2015 school year. This data helped the Continuous Campus Growth Committee determine where opportunity existed for us to grow as a campus. These opportunities are improving writing scores by writing across the curriculum as well as data from staff survey about the need to validate the staff for a job well done.

Ms. Triana reported that as an AVID campus, we are pairing with the YWCA for a Let’s Move! Play at Your Park Day. Details to follow.

Updates were provided on PTA events, The EC Gala to be held on February 27th and other reminders. Ms. Triana asked if there were any questions or suggestions for topics. There were none.

The meeting was adjourned.
