

5th GRADE

SCHEDULE

Sinclair 5th graders get the benefit of receiving specialized instruction from two teachers. One teacher provides instruction in math, science, and social studies. The other teaches reading and writing (literacy). Your learner begins the day in their homeroom class and switches to their second teacher after lunch time. Partner teachers are Cornejo and Guerra/Steelman and Hecox.

Synchronous: Live face-to-face with the teacher. This will be recorded for asynchronous students and inserted into slide decks.

Blended: Synchronous/Asynchronous: independent practice for some students and live small group instruction/feedback.
