

Digital Progress Reports

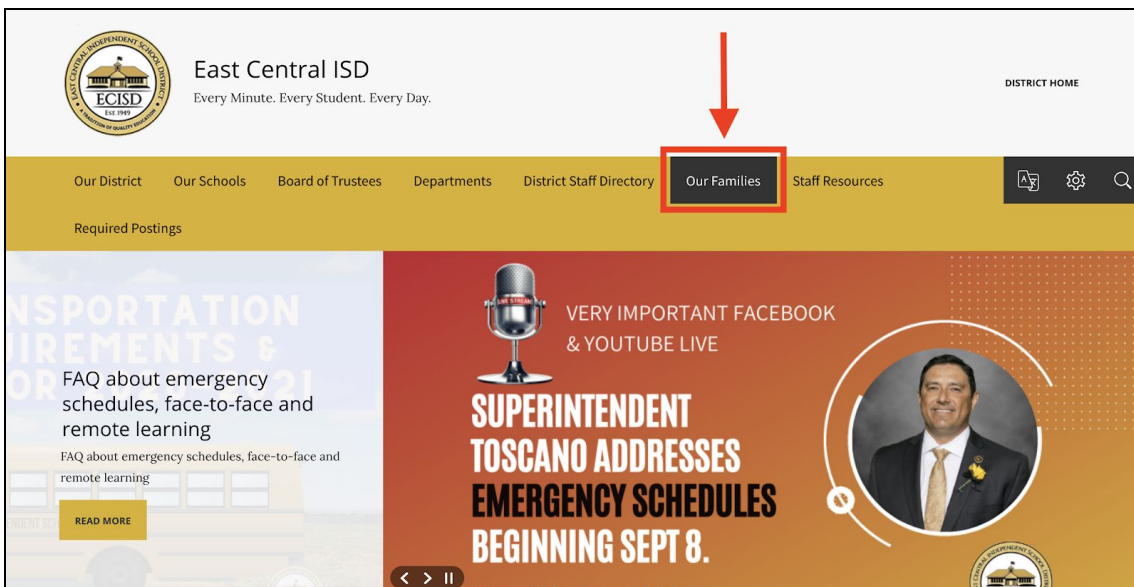

Parents and guardians now have the ability to access their student's progress reports digitally through the txConnect Parent Portal.

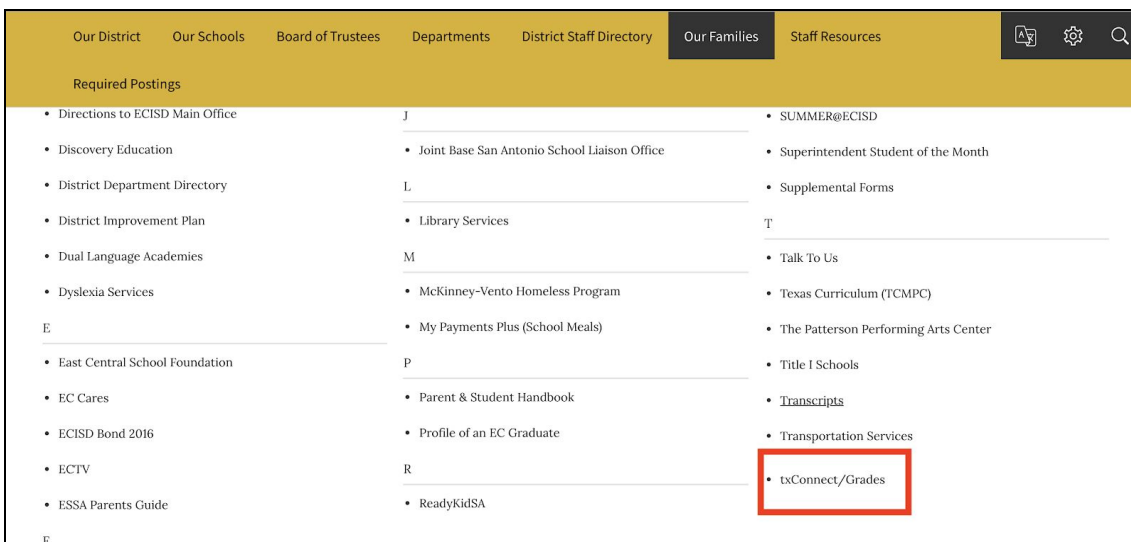

NOTE: This is just an option. Paper copies of progress reports will continue to be available.

Logging into txConnect

Go to the district website at www.ecisd.net and click on the Our Families tab.

Scroll down to the "T" section and click on txConnect/Grades

The txConnect login page will open.

1. If you have not created an account yet, click the New User link.
Follow the directions to create your new account.
 - a. Be sure to use the email address that you have listed as a parent contact in your student's school records
 - b. Obtain your student's Portal ID from the campus. (The Portal ID is NOT the student ID.)

NEW USERS:
When creating your txConnect Parent Portal account, be sure to:
1. use the email address that is listed as the parent contact in your child's student records with the district;
2. obtain your child's Portal ID number from the campus.
The Portal ID number is different from the Student ID number.
It is a 10 character ID made up of numbers and letters and is only used in txConnect to attach the student to the parent account.
You will not be able to successfully create your account without the Portal ID.

RETURNING USERS:
If you have problems accessing your account, please contact Mary Ray at mary.ray@ecisd.net

Accessing the Digital Progress Reports

When progress reports are generated by the District, you will receive an email notification sent to the email address that you used to create your txConnect Parent Portal account. Log into your account and you will see a new section in the body of the Summary page. This section is titled Campus Notes. Click on the PDF icon to download a digital copy of your child's progress report. To access progress reports for additional students, click on the student's name in the left index of the Summary page and click on the PDF icon when the new page loads.
