

**ECHS Field Trip-Form 1
(For non-competitive events)**

Teacher(s): _____

Course or Program: _____

Field Trips should always be directly related to the TEKS and serve to enhance participants' current course of study.

The following questions should be answered prior to requesting/approving a field trip:

1. How is this proposed field trip tied to the TEKS and what learning will it enhance?

2. Is this something students wouldn't normally otherwise get to experience?

3. What is the cost of the field trip and how will it be paid for?

4. Can this trip be taken outside the school day and is the learning so valuable that teachers and students/parents will still attend outside the school day?

5. Planned events/instruction (before, during, &/or after) this experience:

6. Measurement tool to determine effectiveness of the activity in relationship to the learning acquired by all students:
