

Steps to Access Your Child's STAAR Scores:

1. Go to www.texasassessments.com
2. You will see a screen like this:

3. **If you have your access code,** enter the code and your child's birthdate and click "log in to student portal" to view scores.
4. **If you do NOT have your access code,** click on "Find My Unique Student Access Code" link.

5. You will then see a screen like this:

The image shows a screenshot of the 'Texas Assessment Data Portal' login page. The page title is 'Texas Assessment Data Portal'. Below the title, there is a section titled 'Lookup Student Access Code:'. This section contains three input fields: 'Student's First Name', 'PEIMS ID', and a date field with dropdown menus for 'Month', 'Day', and 'Year'. A blue circular button labeled 'Go' is positioned to the right of the input fields. Below the input fields is a link that says 'Cancel Lookup Student Access Code'. At the bottom of the form, there is a small text block that reads: 'To log in and view your assessment results, enter your six-character Unique Access Code and the student's date of birth that appears on your most recent STAAR Report Card. The code must be entered exactly as it appears.'

6. Enter your child's first name only and his or her social security number in the PEIMS ID field, and birthdate. Then click the blue "Go" button.
7. Your code will appear in the code field with a message saying, "Access Code Lookup Successful". Click the blue "Go" button again to see your child's scores. Be sure to write down your access code for future use. The code is good for as long as your child is in a public school in Texas.
